## CREME HERVEN cosmetique

Dermatologicamente testate garantiscono fragranza e idratazione alla vostra pelle.

### CONTENGONO ESTRATTI NATURALI

**LIPOGEL ANTICELLULITE** : ideale per gli inestetismi della cellulite nella zona fianchi, glutei e interno coscie. Tonificante e modellante.

**GEL PER MASSAGGI CERVICALI** : gel riscaldante con principi attivi cosmetici naturali per decontrarre, defaticare e ossigenare i muscoli e contrastare la sensazione di stanchezza.

**CREMA TALLONI** : efficace per ridurre morbidezza alla pelle dei talloni. Nutre, idrata e leviga la cute secca e screpolata.

**CREMA PIEDI ANTIDODORE** : consigliata per chi ha problemi di eccessiva sudorazione dei piedi. Contiene principi attivi per equilibrare l'eccessiva sudorazione e al tempo stesso profuma e ammoridisce la pelle.
